

ABOUT VALLEY HOSPITAL

At MultiCare Valley Hospital, we believe in the power of people to create great care. And we work hard every day to be a place of healing, caring and connection for patients and families in the Spokane Valley community. Our hospital is an accredited, 123-bed acute care facility with a Level III trauma center, as well as a wide range of inpatient, outpatient, diagnostic imaging, medical, surgical and emergency services.

SPOKANE VALLEY COMMUNITY

Spokane Valley is the largest suburb in Spokane, Washington. It is located east of Spokane, west of Coeur d'Alene, Idaho and situated along the banks of the Spokane River, where the Columbia River Valley rises to meet the forests of the northern Rockies. The access to outdoor activities paired with the region's four-season climate makes the area perfect for any adventure seekers. Within a short drive, you'll have access to lakes, rivers, golf courses, wineries, ski resorts, and major national parks. Spokane's accessible downtown also offers incredible arts and delectable dining.

COMMUNITY FACTS

- Residents' median age – 35
- Home of the Lilac Bloomsday Run, the largest road race in the U.S.
- Hosts Hoopfest, the largest 3-on-3 basketball tournament
- Thriving arts community
